The Italian American Professional & Businessman’s club strives for friendship, a zealous dedication to maintain the traditions of our heritage and strong sense of community responsibility. The club has provided scholarships to worthy and needy youths of Italian background to assist them in obtaining a higher education. Also, the club has extended a helping hand to individual and/or families who are in need of financial assistance. All this is made possible by membership dues and your participation in our club functions, which include the reverse raffle, the annual golf outing, Viva la Panza and the Christmas Dance.
