Scholarship Lunch Is Once Again A Success

On May 7th, the IAPBC once again had their annual Scholarship Luncheon, hosted at Todaro's Party Center. The club extends tremendous gratitude to Todaro's, for putting together such a wonderful lunch free of charge. Also, the club once again extends congratulations to all of the scholarship winners. Thanks also to the scholarship committee for picking such talented and well-deserving students.

Info on InfoCision

At our June 4th meeting, a marketing person from the University of Akron will join us for lunch at Yocono's and speak about the new football stadium. He will be providing a wealth of information, including opportunities to tour the stadium. Please try to attend if possible, it should be a great presentation.
