- A special one-time showing of the documentary **La Porta dell'Inferno** by actor/producer Michael Cavalieri will be at **Strosacker Auditorium** on the campus of Case Western Reserve University, **Wednesday, October 11th at 5:30 PM**. The film, presented by the Italian program in the Department of Modern Languages and Literatures and the CWRU Film Society with support from the IAPBC, chronicles the inspirational stories of some of the last surviving men who worked in the sulfur mines in central Italy. Thousands of men and boys worked these mines from the 1800's through the 1950's and many did not survive. The film and these stories have been shown throughout Italy and the US and comes to Cleveland for the first time as part of our celebration of Italian-American Heritage Month. Admission is free and parking is available at the Veale Athletic Center Parking Tower, Severance Hall Garage or East Blvd parking meters. More info at <https://mll.case.edu/> or contact Denise Caterinacci [dmc7@case.edu](mailto:dmc7@case.edu) or 216-368-2374.
